For the purpose of defining “a regular season game,” the week #8 crossover game will be considered a regular season game. If a school chooses, for whatever reason, not to participate in a regular season game, that school may forfeit their opportunity to be eligible to advance into postseason play for that season. If a school is not eligible to advance into the post season and does not play their week #8 scheduled game, they will then forfeit their opportunity to advance into the postseason the following year. Any game(s) not played will be reviewed by the respective Section and the Section 7-10 Football Committee.

Schools will have the option to schedule or not schedule a Week 8 opponent if there is not a crossover or playoff game scheduled.
