Beekmantown High School

The New York State Public High School Athletic Association and Section VII supports and encourages spectators to enjoy the competition between our student-athletes and cheer for their teams in a positive manner.

Officials, just like student athletes and coaches, are critical to interscholastic sports programs. Without officials, NYSPHSAA and its member schools would not be able to provide interscholastic sports in the manner that is desired and expected by student athletes, coaches, and parents. Spectators are expected to “Be Loud, Be Proud, and Be Positive.” Negative comments and inappropriate behaviors by spectators are required to be addressed by all and any school supervisors and administrators, as a member of NYSPHSAA. Spectators may be prohibited from attending current and future interscholastic contests based on their behavior.

Thank you for your support and enjoy the game.
